Redefining Retail in the heart of Northampton

Weston Favell is, for many, the town centre of the local area. It has a great selection of multinational retailers and service providers including, Wilkinson, Boots, New Look, WH Smith, Holland & Barratt and Costa Coffee as well as a unique selection of independent retailers, a library, banks and a church.

The centre is easily accessible with direct access from the A43 and A45, and is just 6 miles from junction 15 of the M1. There is a public transport hub located adjacent to the eastern side of the centre. This provides regular bus services to the residential areas surrounding the scheme as well as key areas within the catchment including Northampton town centre, Wellingborough and Kettering.
